

WELCOME TO WHOLE MEDICINE

Please Read Our Policies Below

APPOINTMENTS

An initial and second Naturopathic visit requires 50 minutes each. Subsequent visits are either 25 or 50 minutes in length depending on the nature of your concerns and treatment plan.

Our Naturopathic Doctors try their best to stay on time for all scheduled appointments throughout the day. In the event we do not have enough time within our session to address all of your questions and concerns, we will arrange for a subsequent follow-up visit, phone call or email consult.

PHONE & EMAIL INQUIRIES

Due to a large volume of phone calls and emails, we ask that patients respect the following guidelines:

1. Please email us or leave a message with our receptionist, Janice, if:
 - a. You require clarification of recommendations made by your ND in a previous appointment;
 - b. Your ND has specifically asked you to contact them between appointments in regards to a specific issue.
2. Please schedule a follow-up appointment (through our receptionist or through our on-line booking system) (or wait until your next visit if one has already been scheduled) if your inquiries or concerns include, but are not limited to, the following:
 - a. Questions regarding products your ND has not recommended;
 - b. Advice on a new health concern; and
 - c. Inquiries regarding friends and family members.

We do our best to return all inquiries within 1-3 business days.

MISSED APPOINTMENTS & CANCELLATIONS

Due to prolonged wait times for select visit time slots, a missed appointment removes a significant portion of the day's schedule. We kindly ask that you provide at least 2 business day's notice when you are cancelling an appointment. Missed appointments will result in a \$50.00 fee. In the event of an emergency or poor weather late cancellation fees will not apply.

SUPPLEMENT RENEWALS

All supplement renewals must be PRE-ARRANGED. We will notify you once your supplements are ready for pick-up. To place an order, simply contact us via our "Supplement Refill Request" on our contact page at www.wholemedicine.ca, or by calling 613-624-5000

All supplement pick-ups in Kanata must be pre-paid via your online invoice that will be emailed to you, or by calling 613-624-5000.

In order to ensure the best possible care for our patients, we are unable to renew supplements if your medical condition or medications have changed since your last visit, or if it has been more than 6 months since your last visit.

PRESCRIPTION RENEWALS

Prescription renewals are best obtained during a scheduled appointment (so that we can ascertain that the prescription is still the best choice for you. PLEASE NOTE: WE CANNOT RENEW YOUR PRESCRIPTION OVER THE PHONE IF YOUR MEDICAL CONDITION OR MEDICATIONS HAVE CHANGED, IF YOU ARE PREGNANT OR BREASTFEEDING, OR IF WE HAVE NOT SEEN YOU IN THE PAST 3 to 6 MONTHS. PLEASE BOOK AN APPOINTMENT INSTEAD. Otherwise, if calling or emailing for a renewal, please leave your name, medication name, amount you need refilled and the name and number of the pharmacy. Please note: 72 hours is required to refill a prescription. A charge of \$10 will apply for all prescription renewals made between appointments.

NOTIFICATION OF LAB RESULTS

Copies of lab results will be provided, as requested, at the time of your appointment. You will be contacted by phone or email to schedule a time to discuss lab results with your ND.

PATIENTS ARE ENCOURAGED TO HAVE THEIR OWN FAMILY MEDICAL DOCTOR

Naturopathic medicine is complimentary to, but does not replace, the services of your medical doctor and specialists. Patients are encouraged to maintain all regular medical procedures, check-ups and testing as suggested by your medical doctor.

Thank you for choosing Whole Medicine. If you have any questions regarding our policies - or about anything else - please give our administrator, Janice, a call.
