- Holistic Nutritionist (RHN)
- Therapist (RP, C.Psych)

**As independent contractors*

Location: Kanata & Pakenham (Ottawa), Ontario

Start Date: March 2019 (Flexible)

ABOUT THE PRACTICE:

The Perks:

- 1. We are a busy Wellness Centre looking for holistic practitioners to join our team.** Whole Medicine has a strong reputation built on excellent patient care and customer service. If you are the perfect fit for this practice, together, we can continue our mission to help people in their health journey.
- 2. You'll be working with a great team.** You will experience a friendly and relaxed working environment, supportive team of health professionals and administrative staff, fair rental terms, use of our online scheduler and in-office payment systems, wireless internet and free convenient parking. Whole Medicine is owned by two Naturopathic Doctors who are happy to mentor and help you to build your practice.
- 3. The administrative tasks are streamlined.** We have worked tirelessly over the past 5 years to develop excellent systems for practice efficiencies that will allow you to come into the clinic to see your clients (the best part of the day) and not be weighed down with all of the administrative tasks.
- 4. Location.** Whole Medicine has two locations - Kanata and Pakenham. Multiple days are available in Kanata with the opportunity to incorporate up to one day weekly in Pakenham.

Our main clinic has frontage on one of the busiest roads in Kanata seeing 20,000 cars pass by daily! We are located in the heart of Canada's largest Tech Park - Kanata North Tech Park - which is home to over 500 companies and 21,000 employees. We are also surrounded by a number of suburban communities that are continuously growing.

Our second location in Pakenham is in a picturesque village, a short drive from Almonte, Arnprior and surrounding villages. We are located on the main street in the heart of the village, en route to Mount Pakenham and steps from quaint shops and the historic 5-span stone bridge. The clinic itself is a beautiful and welcoming space for patients and we are proud to be able to provide Naturopathic Services in a rural setting.

Holistic Candidate Requirements:

- Motivated to build your practice.
- Loves working in a team environment and passionate about integrative medicine.
- Projects a positive and professional image at all times.
- Appropriate and up-to-date memberships and insurance.
- Excellent verbal and written communication skills.
- Willing to run information sessions and talks
- Ability to work in accordance with regulatory and Whole Medicine clinic standards
